

QUICK AND EASY PAIRING MODE INSTRUCTIONS

TRULY WIRELESS EARBUDS

**ITEM# RPA-BTEB18
ITEM# RPA-BTEB19**

Turning the earbuds on and off:

After fully charging earbuds. Press and hold the MFB button for 3 Seconds on each earbud.

How to pair Earbuds together and to your Device:

- A. Hold down the “**MFB**” button on both earbuds until both indicator lights are flashing “**red** and **blue**”
(it is now in pairing mode)
- B. Quickly press the “**MFB**” button on just ONE of the earbuds 2 times and release. (After 5-10 seconds you will hear that the headsets are paired together)
- C. While the headset indicator lights are flashing “**red** and **blue**” locate the Bluetooth function on your mobile device usually located in
SETTINGS>BLUETOOTH>SEARCH
You should see “**TWS**” on your device and press to connect.

NOTE: IF “TWS” SHOWS UP 2 TIMES WHILE SEARCHING THIS MEANS THE EARBUDS ARE NOT CONNECTED TOGETHER REPEAT FROM STEP A
